# Campus Life

Vidya Siri College of Pharmacy believes in the holistic development of students. Apart from academic excellence, we encourage our students to participate in various co-curricular and extracurricular activities to enhance their overall personality.

### Student Clubs and Associations:

We have a range of student clubs and associations focused on different areas of interest, including research, sports, cultural activities, and community service. These clubs provide students with a platform to showcase their talents, develop leadership skills, and foster a sense of camaraderie among peers.

### VIDYA SIRI COLLEGE OF PHARMACY

### Seminars and Workshops:

We regularly organize seminars, workshops, and guest lectures by renowned industry experts to keep our students updated with the latest trends and developments in the field of pharmacy. These events provide valuable networking opportunities and help students expand their knowledge beyond the classroom.

### Sports and Recreation:

We believe in the importance of maintaining a healthy lifestyle. Our college offers various sports facilities and encourages students to participate in intercollegiate sports competitions. It not only promotes physical fitness but also instills values like teamwork, discipline, and sportsmanship.

### Industry Visits and Internships:

To bridge the gap between academia and industry, we organize regular industry visits and facilitate internships for our students. These experiences allow students to witness real-world pharmaceutical practices and gain practical insights into the industry's functioning.

### Parent Partnership:

We recognize the crucial role parents play in shaping their child's educational journey. At Vidya Siri College of Pharmacy, we value the partnership with parents and aim to keep them informed and involved throughout their child's academic tenure.

### Parent-Teacher Interaction:

We organize periodic parent-teacher meetings to discuss the progress and development of students. These interactions provide an opportunity for parents to understand their child's strengths, areas of improvement, and career prospects.

### Counseling and Guidance:

Our dedicated counseling team is available to address any concerns or queries parents may have. We provide guidance on academic matters, career choices, and overall well-being, ensuring that each student receives personalized attention and support.

### Parent Education Programs:

We conduct informative sessions and workshops for parents, focusing on topics such as career guidance, college admissions, and financial planning. These programs empower parents to make informed decisions regarding their child's education and future.
